this edited volume examines contemporary relations between europe and asia through the prism of the asia europe meeting asem asem is an informal forum for dialogue and cooperation between 53 partners from both regions having started in 1996 asem aims to enhance political dialogue strengthen economic cooperation and promote socio cultural exchange the book provides insights into past achievements current challenges and possible new directions for asem as a dialogue forum the chapters focus on institutional design the security agenda economic cooperation and cultural exchange and civil society outreach through the asia europe foundation they also zoom in on asem s parliamentary partnership and the ongoing challenge of public awareness and visibility furthermore they critically examine the implications of the widening process the attempts to reinvigorate the forum and the varied perspectives on asem s value for both regions appealing to policy makers researchers and students this volume provides an in depth analysis of a wide range of issues relating to the role of asem in contemporary international relations

this book explores developments in the countries of the south caucasus armenia azerbaijan and georgia since the eu included the region in the european neighbourhood policy in 2003 it considers issues related to energy ethnic conflict steps towards regional integration and above all security including the involvement of russia iran turkey and the united states it assesses the key importance of energy argues that the prospects for regional integration are weak and contends that while the approach of europe and the united states has been confused and weak not holding out great hope of eu or nato membership russia s interest and involvement in the region is strong and growing

this open access book explores the new complexities and ambiguities that epitomize eu turkey relations with a strong focus on the developments in the last decade the book provides full access to a comprehensive understanding of the multifaceted relationship through three entry points 1 theories and concepts 2 institutions and 3 policies part i brings together complementary and competing analytical approaches to study the evolution of eu turkey relations ranging from traditional integration theories to novel concepts part ii investigates the institutional machinery of eu turkey relations by analyzing the roles and perspectives of the european council the european commission and the european parliament part iii offers analyses of the policies most relevant for the relationship enlargement policy trade and

macroeconomic policies foreign and security policy migration and asylum policies and energy policy in part iv the volume closes with a systematic survey of the conditions under which cooperative trends in eu turkey relations could be re invigorated the systematic setup and the balanced combination of distinguished experts from eu and turkey based institutions make this book a fundamental reading for students researchers lecturers and practitioners of eu turkey relations european integration and turkish foreign policy

this book offers an overview of the interface between european integration transatlantic relations and the rise of the rest in the early 21st century the collapse of the soviet bloc opened up an era in which the drivers and perceived benefits of the us alliance among european countries have become more variegated and shifting the proposition that the us remains at once an indispensable and intolerable nation in europe is a key concept in the alliance as the us remains inextricably tied to the continent through economic military and cultural links this work examines this complex subject area from many angles including an analysis of the historical and cultural contexts of america s relations with europe as well as a discussion of the politics of transatlantic affairs which utilises evidence gleaned from a series of case studies in the concluding chapters the author assesses the likelihood that the west can entrench its global dominance in the realms of soft and hard power and by effecting a controlled reform that will see multilateral structures open up to emerging powers this book will be of great interest to students of european politics eu integration transatlantic relations us foreign policy diplomacy international security and ir in general

africa s development dynamics uses lessons from central east north southern and west africa to develop policy recommendations and share good practices the 2022 edition explores how developing regional value chains can help african countries rebound from the socio economic shocks of the covid 19 pandemic and accelerate productive transformation

tax planning for u s companies doing business in the eu analyses the design of tax conversion and deferral structures that are advantageous to u s multinationals to reach their goals minimizing liability maximizing credits deducting expenses and utilizing losses using tools such as routing of income and classification of entities

and overcoming barriers like the cfc provisions of the u s tax law examines u s federal corporate law and analyses european company taxation with specific tax planning techniques for germany france the netherlands belgium austria denmark ireland spain luxembourg and switzerland

delivering a ground breaking analysis of the eu s diplomatic meetings or dialogues with china this book reveals how the eu s values rarely feature in exchanges due to ingrained cultures of complacency and self censorship amongst eu officials based on extensive interviews and focusing on individual perceptions and practices the book also highlights how intercultural misunderstanding and unreflective beliefs contribute to this troubling status quo with serious implications furthermore these dynamics run contrary to the lisbon treaty 2009 where the eu states that its values inform its external relations threatening the rules based order that upholds the universal values and international norms the eu shares at a time of flux in eu china relations and geopolitical instability this book s timely insights will be of great interest and value to scholars and practitioners alike this book will be of key interest to scholars and students of european union foreign policy and diplomacy eu china relations chinese foreign policy human rights diplomacy sustainable development trade policy and more broadly in european and asian studies and international relations
