how much would you be willing to sacrifice for those you love a moving saga of true love set against the backdrop of the second world war perfect for fans of josephine cox rita bradshaw and catherine cookson how much would you be willing to sacrifice for those you love growing up in preston s poorest area kat shaw knows just how harsh life can be but her family is a loving one and she s particularly close to her younger brother the arrival of a new baby in 1930 should be a joyous occasion but instead the birth heralds a downturn in the family s fortunes with her father unfit to do his night watchman rounds kat does all she can to help her family survive but when andrew pitt comes into her life everything changes kat s soon happily in love and she and andrew make plans to marry then tragedy strikes and kat takes the only course she can to protect those who depend on her soon the nickname the watchman s daughter becomes infamous in the north west but kat is determined to find a way out a way to escape and to get back to the man she loves what readers say about the watchman s daughter loved every page of this book alexandra connor knows how to make her characters come to life kat was a heroine a great character who has been through the mill one of the best books i ve read try it you won t be disappointed a great story and it felt so realistic like it was happening around you every emotion is written in this book a cannot put down book it shows what someone will do to protect and provide for the family alexandra has done it again fantastic read spellbound from beginning to end

what is property and why does our species have it in the property species bart j wilson explores how humans acquire perceive and know the custom of property and why this might be relevant to understanding how property works in the twenty first century arguing that neither the sciences nor the humanities synthesizes a full account of property the book offers a cross disciplinary compromise that is sure to be controversial property is a universal and uniquely human custom integrating cognitive linguistics with philosophy of property and a fresh look at property disputes in the common law the book makes the case that symbolic thinking humans locate the meaning of property within a thing that is all human beings and only human beings have property in things and at its core property rests on custom not rights such an alternative to conventional thinking contends that the origins of property lie not in food mates territory or land but in the very human act of creating with symbolic thought something new that did not previously exist written by an economist who marvels at the natural history of humankind the book is essential reading for experts and any reader who has wondered why people claim things as mine and what that means for our humanity

seminar paper from the year 2010 in the subject english language and literature studies literature grade 1 7 rwth aachen university institut für anglistik course shakespeare s comedies language abstract shakespeare was one of the most famous renaissance writers his play twelfth night was written during the english renaissance and maybe overlapped with the creation of the great tragedy hamlet the aim of this paper is to analyse in what way shakespeare presented the characters of the play central to this discussion are the contemporary understandings of the human nature as well as the psychological assumptions concerning the mental distraction of people it is undisputable that cicero and his work de officiis had a great impact on the

english renaissance humanists the term humanism is a translation of the italian word umanista which denotes someone who teaches humanae literae wells rightly claims that the ruling ambition of the humanists was to recover the values of classical civilisation their ideal form of government was a just society ruled by a wise and responsible oligarchy and a humanist was someone who made it his business to understand humankind so now the audience of twelfth night is confronted with an unordered society that consists of characters that absolutely lack the renaissance ideal of how humans should be it is proposed to show how shakespeare manages to reorder the mad state illyria the setting of the play moreover the process of metamorphosing into ideal humans in the sense of the renaissance understanding will be traced since there are reams of publications on shakespeare s works a choice of some of them had to be carried out robin wells monograph shakespeare s humanism served as a basis for this paper wells portrays a very detailed image of what concerned the english renaissance humanists moreover he classifies shakespeare and his plays in the contemporary world view in order to reconstruct the nature of melancholy and madness robert burton s monograph the anatomy of melancholy was consulted in this way it was possible to develop an understanding of the renaissance notion on mental derangement burton s examinations of this topic will be checked against shakespeare s way of presenting mental illnesses in a final step the question will be answered in how far shakespeare must have been acquainted with the disease pattern of distracted subjects

as a result of deregulation there was a dramatic shift during the 1980s in japan away from bank debt financing towards public debt financing in 1975

more than 90 of the corporate debt of public companies was bank debt in 1992 it was less than 50 this paper presents a theory of the choice between bank debt and public debt and then examines the theory using firm level data on borrowing sources in japan we find that high net worth companies are more prone to use public debt we also find that the more successful members of industrial groups or keiretsu and less successful owner managed firms tended to access the public debt markets we offer a number of interpretations of these results in light of the theory
